NOR-CAL SCHOOLS JPA

February 11, 2013

Dear Bidder:

This notice is to inform all potential bidders for the Nor-Cal Schools JPA Bid # 13-101, that the first commodity group **1A01-A and 1A101-B** contained quantity errors when first released on February 5, 2013. The errors were corrected on February 8, 2013.

Please update your printed copies of the bid and adjust any pricing to reflect the changes in the quantities of the 1A01-A and 1A01-B commodity group. If you have not yet printed the bid and intend on printing after you have entered your pricing, this change will not affect you.

Additionally, please remember that there is a Non-Mandatory Pre-Bid meeting for Vendors scheduled for February 25th, at 10:00 a.m. We encourage attendance for those Vendors new to the bid or who have questions on how to use the web site, or about submitting the bid.

Please contact us with any additional questions you may have.

Sincerely,
