ADDENDUM #1
NOR-CAL JPA BID 22-23-101

Dear Prospective Bidders:

- 1A.0103A – This state truckloads but is listed in case quantities that does not equate to full truckloads. Can you please confirm this will be for truckload quantities?
 - *These are the total number of cases. Please round to your nearest truckload.*
- 1A.0109A & 1A.0112A – Are the quantities listed (28 and 27) truckloads? Per our past experience no truckloads of these items were ordered. Or are the quantities listed in cases?
 - *These are listed as cases. To be ordered only as truckloads.*
- 1A.0109B & 1A.0112B – Are the quantities listed (55 and 5) Pallets? Per our past experience no pallets of these items were ordered. Or are the quantities listed in cases?
 - *These are listed per cases. To be ordered in Pallet or less quantities.*
- Since districts have separate delivery requirements in the past we have documented to get quotes for specific delivery requirements, would the NorCal JPA like us to continue that practice? Or is there a more effective way?
 - *Continue with past practice.*
- Previous year's pricing sheets attached

Sincerely,

Francine Brissey
